Counseling/Mental Health Support

On-Campus Counselor

Counseling is an opportunity to discuss any issues that are getting in the way of a student's academic and personal success. Meetings are private and confidential, and convenient appointments can be done face-to-face in a quiet and private office, or over Zoom.

Every registered student is eligible to meet with our on-campus counselor, Sean Mullen, free of charge, and no insurance coverage is necessary.

To make an appointment, contact Sean Mullen at Sean.Mullen@sunysccc.edu or 518-381-1336

Disability Resources and How to Obtain Academic Accommodations

The Office of ADA Transition Services (i.e., disability resources and services) uses a collaborative model to develop accommodations and learning strategies for students with permanent and temporary disabilities. We coordinate resources and create partnerships to foster an inclusive environment that is accessible and welcoming for all.

Students who would like to request academic accommodations should register for disability resources and services with Susanna Adams. Appointments to meet with her can be set up via e-mail at adamssj@sunysccc.edu, by phone at 518-381-1345, or in person in Elston Hall, Room 222.
