

Information for Visiting Groups to SCCC

Unfortunately, SCCC can no longer provide complimentary food or beverages to visiting groups. However, visiting groups are welcome to eat on campus in the following ways:

Option 1: Students may bring a bag lunch and eat on campus. Drinks may be purchased on-campus through vending machines, the school store, or through the Prestige Food Services Cafeteria. **Our food service contract does not permit food to be purchased elsewhere and brought on campus for group consumption.**

Option 2: Students may go through the Prestige Cafeteria line, paying for each lunch/snack individually. The cafeteria accepts credit cards.

Option 3: You may contact our campus food provider, Prestige Services. They can work with you within your budget to feed your group. You may call 381-1330 or 470-4337 or e-mail prestige_cafeteria@sunysccc.edu to make arrangements. Generally a week's notice is needed.

The SCCC admissions office will reserve a room for you to eat in if you choose not to use our student commons area..
