RE: Requirements for Participation in Intercollegiate Sports for the 2009-10 Academic Year

If you would like to play intercollegiate athletics this fall, you must take care of the following:

1. **GET A COMPLETE PHYSICAL.** The physical form needs to be completed (front and back) **AND** turned in to me before the first day of practice. Please refer to the practice schedule on the reverse side for the first day of practice for each sport.

You will **NOT** be allowed to practice until I receive it from you. If you do not have your own family physician, I would suggest you go to:

Eastern Medical Support
2630 River Front Center
Amsterdam, NY 12010
518-843-6860

2. **GET ACCIDENT MEDICAL INSURANCE.** If you are a full-time student, you will automatically have this coverage once you pay your tuition and fees. Full-time students are those with 12 or more credits.

If you are part-time student (11 credits or less per semester), you **do not** automatically have this coverage. You must see me in the Admissions Office on the second floor of Elston Hall to fill out the enrollment card to obtain this coverage. The fee to you is only \$4.00 in the fall semester and \$5.00 in the spring semester and gives you up to \$2,000 per year in accident coverage both on and off the playing fields. This insurance is **required** in order for you to play. *This must be taken care of by your first day of practice.*

Also, on the reverse side is a complete list of coaches and their telephone numbers for your information.
