*Purpose*

SUNY Schenectady County Community College is an environment where dreams are developed, it is a place committed to being a visionary leader in learning and in providing opportunity. The College is focused on a Mission and Vision that combines education with our desire need for workforce training and development, thus, the College has formed the following Mission and Vision Statements through our Strategic Plan from 2021 – 2026, “Many Voices, One Call”

*Policy*

**Mission Statement**

Driven to empower every student in their pursuit of lifelong success

**Vision Statement**

To inspire every student’s success through equitable practices, innovative education, and community engagement.
