**Higher Education Emergency Relief Funding (HEERF) for Students
Facts & Data**

1. SUNY Schenectady signed and returned to the U.S. Department of Education the [Certification and Agreement](#) and intends to use, no less than 50 percent of the funds received under [Section 18004\(a\)\(1\) of the CARES Act](#) to provide Emergency Financial Aid Grants to students.
2. SUNY Schenectady shall award a minimum of \$1,113,346.00 as Emergency Financial Aid Grants to eligible students.
3. The goal of SUNY Schenectady is to meet the full emergency need of each student who applies by the priority deadline. For those that do meet the priority deadline, Pell recipients and students with the lowest Estimated Family Contribution (EFC), from the students' FAFSA, will be reviewed first. If additional funding remains, the committee will review all non-Pell applicants with special attention to those with the lowest EFC. If the initial student requests exceed the total funding available, the committee will divide the overage by the number of applicants and reduce each request by this equitable amount. If additional funding remains, the College will accept additional student applications for additional rounds of review until all funding has been exhausted.
4. All instructions, directions, and guidance on how to apply for Cares Act Higher Education Emergency Relief Funding is contained in the [HEERF Instructions & Application](#)
