NOTES:

- (a) It is imperative that students enroll in ECH 121 and ECH 123 concurrently during their first semester, as they are only offered in the fall semester. Failure to complete these courses will prevent students from progressing in their degree requirements and prevent them from taking their first field course in the spring semester.
- (b) It is recommended that students enroll in ECH 220 during their first fall semester as it is only offered in the fall semester.
- (c) MAT 123 is recommended. Students who plan to transfer should consult the receiving institution.
- (d) Students should consider taking a science (BIO or CHM) with a lab if they are planning to transfer.
- (e) Students should choose their electives carefully, and, if transferring, should review the requirements of their receiving institution(s).

As of January 1, 2003, all students enrolled in ECH 131 Early Childhood Field Instruction and Seminar I and ECH 231 Field Instruction and Seminar I will need to supply the following before entering the field:

- A notarized Criminal Conviction Statement;
- A signed I Will statement to uphold the NAEYC Code of Ethics and SUNY Schenectady Early Childhood Education Professional Behaviors;
